

## ATTENTION PARISH RESIDENTS:

Taking into consideration the concerns of residents regarding the reduction in garbage service to once-a-week, the Pointe Coupee Parish Council voted on December 12, 2023 to return to twice-a-week garbage service. With this increase in service, there will be a residential garbage fee increase of \$7.13 (\$18.87 to \$26.00).

***In addition to residential garbage service, the \$26.00 fee covers twice-a-month roadside debris/bulky waste pick-up and all related garbage disposal fees.***

Pelican will return to twice-a-week service ***January 1, 2024.***

Your route will return to its previous twice-a-week days.

For reference the pickup days and routes will be posted on our Facebook page, The Pointe Coupee Banner, and the parish website at [www.pcparish.org](http://www.pcparish.org)
